Determine your needs. **Understand** the benefits.

Understand the Benefits

Our vision at EZLynx is to provide you a single, integrated platform with product capabilities that deliver benefits at each stage of the policy lifecycle. Check out a few of the major benefits for each capability below and see how each can impact your bottom line.

EZLynx Management System™

Maintain a single view of your book of business and manage all stages of the policy lifecycle via our integrated Centers and capabilities in one system.

EZLynx Agency Websites™

Establish a local web presence.

EZLynx Consumer Quoting™

Introduce the online insurance shopper to your agency.

EZLynx Sales Center™

Streamline and strengthen your sales pipeline to close more business.

EZLynx Rating Engine™

Quote home and auto insurance quickly with the most widely used comparative PL quoting tool.

EZLynx Submission Center™

Optimize commercial submissions with a centralized hub to organize, track and bind.

EZLynx Automation Center™

Automate routine workflows and trigger common tasks to operate more efficiently.

Retention Center®

Keep more clients with a comprehensive, proactive retention process.

EZLynx Agency Accounting™

Simplify the management of your money.

EZLynx Communication Center™

Market to your customers and prospects at the right time with the right message through drip and bulk email sends. Connect, view, and share emails via pre-built plug-ins for Outlook® and Gmail®.

EZLynx Client Center™

Meet your customers online 24/7 with a portal designed for you.

EZLynx Reporting & Analytics™

Make data-driven decisions for greater growth and profitability.

Keep a Pulse on Your Agency

Business insights delivered via monthly emails with Agency Pulse®. The automated agency report aggregates data from EZLynx Rating Engine and EZLynx Management System into easily readable charts, allowing principals to make targeted, and educated business and marketing decisions.
